To whom it may concern

Both Angela Corder and Shana Clucas, the founders of Sassy Solutions have been my Colleagues, clients, business partners and friends for more than 20 years.

Working with team with a range of projects, I have always been impressed by their enthusiasm, innovativeness and ability to tackle challenges in a no-nonsense way.

I have the greatest respect for their integrity and commitment to excellence qualities which have stood them in good stead in the highly competitive arena of marketing and sales.
